GLOVE BOX
p/n 90-4000 SERIES

ATC offers two unique, complete glove boxes for the marine, RV and automotive industries.

The MODEL 4100 functions both as a locked storage/glove box, and includes two pop-up cup holders for beverages. These cup holders can be angled to fit any dash so that they are always level. The stainless locking system is secure for even outdoor installation, with individual keyed locks that cannot be duplicated.

The MODEL 4500, without cup holders, features a water and air resistant seal around the storage door.

Features include:

- FULL CUT-OUT DIAGRAM AND ATTACHMENT SCREWS ARE PROVIDED FOR EASY INSTALLATION
- UV STABILIZED ABS PLASTIC IS INTENDED FOR INDOOR/OUTDOOR USE IN ANY ENVIRONMENT
- STAINLESS STEEL LOCK WITH KEYS
- UV STABILIZED ABS PLASTIC WITH STAINLESS STEEL HARDWARE

Applications include:

- BOAT DASH STORAGE/BEVERAGE HOLDER
- RECREATIONAL VEHICLE DASH STORAGE/BEVERAGE HOLDER
- CENTER CONSOLE LOCKED STORAGE
- LOCKED STORAGE FOR WEATHER SENSITIVE MATERIALS
